HOTEL & TRAVEL INFORMATION

The **USDA-ARS, Stoneville Laboratory** is located near Harlow's Hotel and Casino in Greenville, Mississippi. Major airports recommended for flying to this area include Memphis, TN, Little Rock, AK, and Jackson, MS. Rental cars will be the best option for getting to Greenville, and we may be able to connect people who wish to car pool to Greenville and back depending on arrival and departure times.

Harlow's has complimentary parking.

Harlow's Casino Hotel and Resort has blocked rooms for our meeting at the conference rate of \$55/night + tax. Our group ID is "Biological Control Producers at USDA". Please make reservations by phone: (662) 335-9797 or e-mail the *attached form reservation form to Ms. Hughes at nhughes@harlowscasino.com

*This attachment will be separate if this announcement is received by email, or can be downloaded at the ANBP website (www.anbp.org)

For Greenville area attractions, visit <http://www.visitgreenville.org/>

If you are looking for a great road trip, New Orleans is approximately 300 miles away. Besides great food and entertainment, the new [Audubon Insectarium](#) has recently opened in New Orleans.

Watch www.anbp.org for the meeting Agenda and detailed Program information
